Support Services

---

Skip Saunders, Support Services for Global Energy Services, LLC, has over thirty-two years of experience in the coal and utility industries. He served in the capacity of Fuels Field Representative for 21 years with Duke Energy/Cinergy/CG&E and as Manager of Docks and Tipples for several coal companies, most notably with Ashland Coal for 12 years. Mr. Saunders can be contacted at [ssaunders@globalmc2.com](mailto:ssaunders@globalmc2.com) or at (513) 701-0416.

---

▣ **PROFESSIONAL EXPERIENCE**

**Duke Energy Corporation (Cinergy/CG&E)**

**Fuels Field Representative, Ashland, Kentucky; January 1989 – April 2010**

Oversaw the shipments of coal to four power plants. Directly responsible for the supply of fuel oil to three power stations.

Maintained a steady flow of generating fuels to the stations, meeting contract tonnage and quality guarantees.

Acted as the liaison between the Company and the barge contractors regarding shipping schedules.

Made quarterly mine visits with both contract and spot coal suppliers to insure shipments met order specifications in terms of quantity, quality, sizing and timing requirements.

Met quarterly with station personnel regarding performance of all coal, oil, and transportation suppliers.

**Ashland Coal Inc.**

**Manager of Docks and Rail Tipples, Huntington, West Virginia; April 1978 – November 1988**

Directly responsible for the supply and distribution of coal traffic via truck, railcar, and barge at all Kentucky, Ohio, and Wayne County, West Virginia locations. Shipped approximately four million tons of coal annually with a staff of sixty six employees.

Interfaced with local and state governments on coal related legislation.

Instrumental in the design, installation and management of the Lockwood Coal Dock at Catlettsburg, Kentucky; responsible for establishing third party sales through the terminal, resulting in an additional \$1 million a year of revenue.

**PROFESSIONAL EXPERIENCE (cont.)**

**Dock's Creek River Terminal**

**Supervisor, Ceredo, West Virginia; February 1975 - May 1976**

Operated and maintained haulage equipment and assisted in the construction of a new coal loading facility, the Aquila Dock.
